

# Application for School Transport Assistance

Please read the information on this page before completing the application form.

## What is School Transport Assistance?

Caregivers are responsible for transporting students to and from school each day. However, the Ministry may provide assistance where the Ministry deems that distance and/or accessibility may be a barrier for students attending the closest school they can enrol at.

School Transport Assistance is provided in the form of a **space on a school bus**, or a **conveyance allowance**. A conveyance allowance is a payment made directly to a caregiver's nominated bank account to subsidise the cost of transporting a student to a school, or in some instances a bus stop. Caregivers may be eligible for transport assistance to assist them getting to their closest bus route if they live more than 2.4km from the bus route.

Only caregivers requesting a **conveyance allowance** should complete this form. Caregivers do not need to complete this form to request a place on a bus. Any queries about children's eligibility to board a school bus should be directed to the bus controller of the attended school.

## Who is eligible for school transport?

To be eligible for school transport assistance students must meet each of the following criteria:

- A) Be attending the closest school they can enrol at AND
- B) Be living over 3.2km (years 1-8) or 4.8km (years 9+) from this school, AND
- C) Have **no** access to suitable public transport.

Applicants should ensure that they meet each of the above criteria before submitting an application.

For further information about how we determine the eligibility of applicants, please refer to our website or the School Transport Assistance Factsheet.
