Dear Parents and Caregivers

Please find enclosed an Invitation for your son to attend the Year 13 Ball. It promises to be a special evening.

YEAR 13 BALL 2021

The annual College Year 13 Ball will be held at the **Lower Hutt Town Hall, Saturday 3 July 2021 from 7.00pm until 11.00pm**. There are some important issues and information that need to be publicised to parents about what happens before, during and after the Ball.

Adherence to rules contained in these notices are a condition of entry and are deemed to be accepted by students as a condition of attendance. No late comers.

Pre-Ball Functions

- Please note that St Patrick's College Silverstream does not support pre ball functions. Parents must ensure students (and their partners) are in an appropriate condition to come to the Ball. Any student or their partner displaying signs of inebriation will be barred from entry to the venue. Parents will be contacted, and asked to collect their son, or their partner.

Note that no refunds will be given.

The Ball

- Students are not permitted to bring alcohol in to the Ball, or to purchase alcohol from the LHTH, regardless of age. Any student or their partner caught with alcohol (either smuggled in, or purchased) will be asked to leave – again parents will be contacted, and no refund will be given.
- A condition of attending the Ball is that bags may be searched by College staff or security staff. It is the responsibility of the boys to ensure their partners are aware of this condition.

The final numbers are provided to the venue on Friday 18 June, on the basis of this invoice no refund will be offered for a reduction in numbers after this notification.

After the Ball

- Afterball events are not supported or sanctioned by St Patrick's College, Silverstream.
- We would encourage parents to have the appropriate conversations with their sons about their safe transport home after the Ball, and also the safe return home of his partner.

With your support, our aim is for all students to have a safe and enjoyable evening.

Grahame Duffy
Rector
